FMCG & Retail Service

伊利 元气森林 KFC 盒马

Promoted brands such as Yili, Genki Forest, and Tianmeihuaru at the point of sale; worked in service, beverage-making, and order-picking roles at Pizza Hut, KFC, and Freshippo. Direct contact with customers sharpened my communication and needs-analysis skills and built efficiency, resilience, and teamwork in high-pressure environments.

Teaching & Tutoring

鼎校 伯学教育 无涯药学考研

Taught online and offline at Dingxiao, Boxue Education, and Wuya Pharmacy test-prep institutions — vocabulary and pharmacy entrance-exam courses; also worked as a class supervisor and one-on-one tutor. I excel at breaking complex knowledge into plain language, adapting my teaching to each learner, and taking responsibility for student progress.

Volunteer & Public Service

青岛大剧院 城市英语大赛

Volunteered at Qingdao Grand Theatre and a city English competition, assisting with crowd management, visitor guidance, and event logistics — strengthening etiquette, on-the-spot coordination, and public-service awareness.
